- Email transport@framlinghamcollege.co.uk

Please ensure that you have the following details available when booking. Details may be confirmed nearer the date of travel if booking early.

- Airline Carrier (BA, Emirates, Singapore Airlines etc)
- Mobile phone contact number of the pupil travelling.

A minimum of 48 hours notice, prior to the day of travelling is needed to book coaches and escorts. Therefore bookings may not be accepted after this period if it would mean exceeding the seat/luggage capacity.

Travel Information/Update

The travel co-ordinator at the College can be contacted on the day of travel to give updates on coach delays, take cancellations or for general assistance on travel problems. Travel Information: +44 (0)7866 836324.

Unaccompanied Minors

It is the responsibility of the parent or guardian to check with the airline that, when booking flights, there are no special arrangements needed for students under the age of 16. Arrangements for unaccompanied minors should be discussed with the School Office staff at the time of booking.

Departure Times from Airports/Stations

The times published on this website are the times that pupils are expected to be at the meeting point ready to meet the escort and board the transport. Please book flights to allow plenty of time to clear customs and collect baggage.

Delays

The coach is unable to wait (unless prior arrangement has been made) for flights that have been delayed for long periods. All pupils using this service must have the means to pay for alternate travel if they cannot meet the coach in time.
